A POWERFUL PARTNERSHIP FOR OUR STUDENTS

Southwest Healthcare
PALMDALE REGIONAL MEDICAL CENTER
Provides local healthcare professionals, learning opportunities, and support for the next generation.

CPASS FOUNDATION
Delivers the Mini Med curriculum, resources, and training focused on inspiring young minds.

QUARTZ HILL ELEMENTARY
Our school partner dedicated to providing students with an engaging and meaningful after-school experience.

STUDENTS WILL:

HANDS-ON LEARNING
Interactive lessons, experiments, and real-world activities.

EXPLORE CAREERS
Meet a variety of healthcare professionals and learn about their important work.

BUILD SKILLS
Encourages curiosity, confidence, teamwork, and critical thinking.

FUN & ENGAGING
A positive, supportive environment where students thrive!

NO COST TO STUDENTS
The Mini Med Program is provided at no cost to participating families.
